

As we continue to move out of the covid era we have gently reintroduced various elements of SSSC provision that have not been available for the past two years. This culminated in pupils accessing social dining in the hall to which they responded amazingly well. After half term we look forward to inviting Year 11 parent/carers into their Leavers Assembly and also to the KS3 Theme Production.

Following lengthy deliberation we have made the difficult decision not to reintroduce After School Clubs in their previous form. We will advise parents/carers what might replace them in due course.

TOYOTA TRIP:

On Monday 9th May, Key Stage 4 pupils visited the Toyota headquarters in Derby to take part in an Art of Manufacturing event.

The visit provided pupils with the opportunity to experience the world of work. Pupils completed individual and team challenges throughout the day with a focus on all things engineering.

The trip was a great experience for all and hopefully opened pupils' eyes in relation to potential employment opportunities within Derbyshire.

UKRAINE DAY:

On Friday 6th May Mrs Mckees' Year 11 pupils organised a fundraising morning to support the people of Ukraine.

This included children donating £1 to wear blue or yellow, a cake sale, guess how many sweets in a jar and guess the name of the teddy bear. Thank you to everybody for your support. A total of £180 was raised.

QUEENS JUBILEE:

On Wednesday 25th May SSSC came together to celebrate Her Majesty The Queens Platinum Jubilee.

The afternoon consisted of various activities including a whole school assembly, a royal quiz, art activities, rounders, bunting- making and a sit down SSSC afternoon tea.

The pupils enjoyed the special event and would have made the Queen very proud.

INTERHOUSE:

On Thursday 19th of May 2022 SSSC held an inter-house competition. Pupils took part in Boccia, Goalball and Footgolf.

Pupils had a fantastic afternoon trying out the various inclusive sports!

PREFECT NEWS:

As part of my prefect role and Sports Leadership qualification I have refereed a Key Stage 3 football match vs Heanor Gate School using my own independent rules in order to manage the game.

I have also used my leadership skills and emotions to keep the morale as positive as possible with all the players involved.
